Caliber Collision Centers Expands Austin, TX Regional Coverage

IRVINE, CA - February 21, 2011 – Caliber Collision Centers, operator of industry-leading collision repair facilities throughout California and Texas, announced today its newest expansion in the Austin, TX area with the grand opening of a newly renovated 30,000 square foot state-of-the-art collision repair facility located at 601 East Ben White Blvd.

Steve Grimshaw, Caliber Collision Center Chief Executive Officer said, “This new Caliber Collision Center facility will help satisfy the growing needs of our clients in the Austin area. The opening of this location further supports Caliber’s long-term growth strategy and offers best-of-class operational consistency, customer focus, and cost management.”

The addition of the Austin Ben White location further reinforces Caliber Collision Center’s position as the #1 collision repair provider of choice in Texas with 43 centers across the state.

This acquisition also strengthens Caliber Collision Center’s position as the largest independently operated collision repair organization in the U.S. with a total of 80 service centers throughout California and Texas.

“This center was designed to restore Texans to the rhythms of their lives with world class customer comforts, service and quality repairs that result in higher customer satisfaction” added Mark Sanders, Chief Operating Officer for Caliber Collision.
