LEWISVILLE, TX – April 2, 2012 – Caliber Collision Centers continues its rapid expansion in the greater Los Angeles market with the announcement today that it has acquired Crown Auto Body (part of the Crown Dodge dealership group) and reopened the location as Caliber Ventura.

Caliber Collision's newly acquired 20,000 square foot collision repair facility opened today at 6200 King Drive, Ventura, CA 93003.

"Today's grand opening of our newest Caliber Ventura location brings our total locations in the greater Los Angeles market area to 16 as we continue to grow both organically and through strategic acquisitions across the southwest. Our Ventura opening creates additional Los Angeles area capacity as we provide our insurance clients the customer focus, operational consistency and cost management they require in today's competitive insurance market," said Steve Grimshaw, Caliber Collision Centers' Chief Executive Officer.

"Our new Ventura center provides another example of our continued expansion in 2012 as we continue to grow into the collision repair provider of choice across California, Arizona, Nevada and Texas," added Mark Sanders, Chief Operating Officer for Caliber Collision Centers.
