Caliber Collision **Opens 14th Center in San Diego Region** *Caliber's 62nd Location in the California Market*

LEWISVILLE, TX – August 26, 2013 – Caliber Collision Centers, operator of high quality collision repair facilities, continues to expand in the greater San Diego area with the announcement today that it has acquired San Diego Collision and reopened the location as Caliber's San Diego North Park.

“Today's opening of our new San Diego North Park center increases our total locations in the San Diego region to 14 as we continue to grow organically and through strategic acquisitions.” said Steve Grimshaw, Caliber Collision Centers' Chief Executive Officer. “As our clients continue to look for improved customer retention, we are committed to adding centers that provide the operational consistency, customer focus and cost management they need to compete in today's highly competitive insurance market.”

Caliber Collision's newest 8,000 square foot collision repair facility opened for business today at 2505 University Avenue, San Diego, California.

News Release

“Our new San Diego center brings Caliber Collision’s locations to 130 as we continue to grow as the collision repair provider of choice in every community we serve,” added Mark Sanders, Chief Operating Officer for Caliber Collision Centers.

About Caliber Collision Centers

Caliber Collision Centers is one of the largest collision repair companies in America with 130 I-CAR Gold Class Professional certified collision repair centers in California, Arizona, Nevada, Texas, Colorado and Oklahoma. Caliber is consistently ranked among the highest customer satisfaction scores in the industry and backs all repair work with a written, lifetime warranty available at any of its 130 repair centers. Caliber Collision is always looking to add new collision repair locations throughout California, Arizona, Nevada, Texas, Colorado and Oklahoma. Interested collision repair owners can contact Ron Davis, Caliber Collision Chief Development Officer, for more information in the Contact Us area of Caliber’s website at www.calibercollision.com.
