Caliber Collision Opens Two New Collision Centers In Texas and California

LEWISVILLE, TX – April 28, 2014 – Caliber Collision Centers continues its rapid expansion with the announcement today that it has opened a new location in the Dallas/Fort Worth area and a new location in the Silicon Valley region.

“Today’s opening of a new location in the North Texas region brings our total locations across Texas to 60 while our new location in the Silicon Valley area pushes our total number of California locations to 79” said Steve Grimshaw, Caliber Collision Centers’ Chief Executive Officer. “As we restore our customers to the rhythm of their lives, we remain committed to adding centers in every Caliber market that provide increased customer choice and industry-leading metrics.”

Caliber Collision’s new Arlington South location, with over 20,000 square feet of space, opened for business today at 4720 S. Collins Street, in Arlington, Texas. Caliber’s expansion across California now includes the Silicon Valley area with the opening of the new Seaside center located at 1652 Del Monte Boulevard, Seaside, California.

News Release

“Our new Arlington South and Seaside locations brings Caliber Collision’s total number of locations across the western U.S. to 165 as we continue to grow into the collision repair provider of choice in every community we serve,” added Mark Sanders, Caliber Collision Centers’ President and Chief Operating Officer.
