Caliber Collision Opens Third State-Of-The-Art Greenfield Facility in North Texas

First Caliber Collision Center In Fast Growing Wylie, TX Market

LEWISVILLE, TX – July 21, 2014 – Caliber Collision Centers announces the grand opening of its newest state-of-the-art facility in Wylie, Texas.

According to Steve Grimshaw, Caliber Collision Centers' Chief Executive Officer, "Our new Wylie center is our third advanced repair facility in North Texas with the latest innovations in collision repairs including side load paint system technology for faster repairs, completely revamped lobby design for an industry-leading customer experience and one-stop rental convenience with an on-site Enterprise Rent-A-Car facility."

Caliber Collision's new Wylie location is located at 451 South Westgate Way, Wylie, Texas. The new Caliber Wylie center will consist of more than 14,000 square feet of repair space. This new, 14,000 square foot facility has 26 service bays, two heated paint booths and more than 90 parking spaces for Caliber's customers and partners.

News Release

“Our new Wylie center brings Caliber Collision’s total number of Texas locations to 62 and 181 nationwide as we continue to grow into the collision repair provider of choice in every community we serve,” added Mark Sanders, Caliber Collision Centers’ President and Chief Operating Officer.
